

Super stream will soon be mandatory for all employers.

All super contributions for employees need to be paid electronically and the associated date sent electronically.

My recommendation is that you contact the super funds that you are currently paying SGC for your employees to for them to assist you in setting up Super Stream.

We have gone through the process with a couple of retail super funds and it has not been overly onerous.

The bottom line is that this new regime will be enforced and it needs to be acted upon. Any queries please call or email our office on 07 4168 5999 or admin@hobbsandassoc.com.au and we can try to assist you or contact the fund to which your employee belongs.
